Work Experience

2015-Current

Operator II

Engage in day to day operations of multiple credit unions through both automated and manual processes. Construct automation for Fiserv Datasafe, Fiserv XP2, and Powershell processes. Provide tier 1 support for a third party vendor, oversee Check 21 software and troubleshoot related Check 21 issues.
United Solutions Company. Tallahassee, Florida

2011-2015

Sales Associate

Served customers in all areas of the store, from handling point of sale transactions to keeping the shelves fully stocked. Helped the store team to achieve multiple goals, including two consecutive Store of the Quarter awards. Trained a group of employees to become certified to completion and trained new employees in the basics of the job.
GFS Marketplace. Racine, Wisconsin

2013-2015

CSCI 105 Grader

Independently graded a group of student's assignments each week.
University of Wisconsin-Parkside Computer Science Department. Kenosha, Wisconsin

2014-2015

CSCI 242 Laboratory Aide

Mentored students in Java skills and served as a resource for other aspects of the course.
University of Wisconsin-Parkside Computer Science Department. Kenosha, Wisconsin

Academic Record

2010-2015

BACHELOR'S OF COMPUTER SCIENCE. Certificates in Unix SYSTEM ADMINISTRATION and CYBER SECURITY.

University of Wisconsin-Parkside. Kenosha, Wisconsin, US

Computer Skills

BASIC COMPUTER SKILLS

Microsoft Word, Microsoft Excel, Microsoft Power Point, "R" Statistical Analysis Program

ADVANCED COMPUTER SKILLS

Bash, C#, CentOS, CSS, Fiserv Datasafe, HTML, ISE EnterpriseSCHEDULE, Java, Powershell, Python, SQL, Unix, Fiserv XP2

Volunteer

2006-2010

UNITED WAY: YOUTH AS RESOURCES · BOARD MEMBER

Part of a board that decided which youth lead community projects should receive grant money to help with completion.

2012-2014

Racine County Food Bank · Volunteer

Sorted food to be distributed to shelters in the Racine area.

Projects

2014

SHALOM CENTER WEBSITE REDESIGN

Interned for the Shalom Center in Kenosha and independently redesigned shalomcenter.org. Re-wrote the website from the ground up using Twitter Bootstrap as a base, along with a variety of other tools. Learned several web design skills and applied them in a real world environment.

2014

RACINE LITERACY COUNCIL NOTIFICATION TOOL

Worked with a small team to build a tool that provides the Racine Literacy Council with a way to notify patrons of closures via text messages. Using the Waterfall method, we built a Java application using the Twilio API to send text messages from a list populated from the Racine Literacy Council's customer database.

2015

SOUTH-EASTERN WISCONSIN EMERGENCY APP

Part of a team that used the SCRUM Agile method to develop a platform for emergency preparedness and disaster relief in south-eastern Wisconsin. Using a server with a web back end, we built an Android application that receives alerts and pushes damage reports to the web back end. Independently learned basic Android skills using Android Studio and applied them in order to make a successful product.

Awards

2014

GFS MARKETPLACE · SALES ASSOCIATE OF THE YEAR

Award given to the sales associate who best exemplifies the GFS cornerstone values. One award is given out per store, once per fiscal year.

2014

UNIVERSITY OF WISCONSIN-PARKSIDE · DEAN'S LIST
